UE 333

In the Matter of

IDAHO POWER COMPANY,

2018 Annual Power Cost Update.

RULING

DISPOSITION MOTION GRANTED

By motion filed April 9, 2018, Staff of the Public Utility Commission of Oregon requests a ruling suspending the due dates for Staff's and intervenor's testimony (April 9, 2018) and all parties' reply testimony (April 23, 2018) to allow parties the opportunity to finalize and execute a stipulation in this case.

As grounds for its motion, Staff states that all parties have reached a settlement in principle and no party objects to Staff's motion. Staff notes that the procedural schedule provides that any stipulation in this case be filed no later than April 30, 2018. Staff does not propose to extend that date.

For good cause shown, I grant Staff's motion. The schedule for filing testimony is suspended.

Dated this 10th day of April, 2018, at Salem, Oregon.
