**Subject:** UM 1930 supporting Neighborhood Power community solar projects  
**Date:** Thursday, April 30, 2020 7:09:59 PM

---

Dear Oregon public utility commission,

I am a business operator and residential customer in the PGE jurisdiction.

Our business, it's employees and our families are supportive of renewable energy efforts and are happy to see the community solar program to open.

This email is to request the approval of Neighborhood powers projects so that businesses such as mine are able to participate in furthering the access to renewable energy resources.

Thank you,

Donny Selby
