

Program Administrator's Project Recommendation

August 8, 2022

Community Solar Program - Docket No. UM 1930

On January 11, 2022, in Order No. 22-007, the Commission permitted the delegation of Commission authority to the Community Solar Program Administrator (PA) to grant noncontroversial project pre-certifications, waivers, extensions, and amendments. Under the permitted delegation of authority, Staff will post the PA's project recommendation to UM 1930 with a comment period of two weeks. If no comments in opposition are received prior to the end of the comment period, the recommendation will go into effect. If comments in opposition are received prior to the end of the comment period, the recommendation will not go into effect and the matter will be referred to the Commission for a decision at the next available public meeting.

Staff posts the PA's recommendation to grant project pre-certification for the following project:

PP-2021-122 (McKinley Solar LLC)

The PA has reviewed the Project Manager (PM) pre-certification applications for the project listed above and has recommended granting pre-certification. Staff finds the PA's recommendations to be noncontroversial and that granting pre-certification may be delegated to the PA. Stakeholders in opposition of the PA's recommendation should post comments to UM 1930 by August 22, 2022.

To Submit Public Comment:

Stakeholders can submit written comments on the PA's recommendation by email to puc.filingcenter@puc.oregon.gov. Please email puc.hearings@puc.oregon.gov to be added to the UM 1930 docket service list and receive notifications in the UM 1930 docket.

Project Pre-certification Review and Recommendation

The Oregon Community Solar Program Administrator (PA) has reviewed the pre-certification request of the project described below and recommends that the project be pre-certified.

Project Information

Project ID: PP-2021-122

Project Name: McKinley Solar LLC

Project Manager: Sulus Solar LLC

Subscription Manager: None

Utility Service Area: Pacific Power

Project Site Address: 44.388830N/-123.015087W, Brownsville, OR

Project Size (kW-AC): 450 kW-AC

Carveout-eligible: No

Project Description

McKinley Solar is a 450 kW-AC project located in Brownsville, Oregon in Linn County. McKinley Solar was allocated capacity from the waitlist after a pre-certified project was canceled. Sulus Solar has not yet identified a subscription manager for the project. Sulus currently manages one other pre-certified project in the program. Sulus previously submitted and managed 17 additional pre-certified projects, which have since been sold and transferred to other project manager entities.

Review Summary

Date Review Completed: 08/05/2022

Project Satisfies all Pre-certification Requirements?: Yes

PA Recommendation: Approve
