Meeting ID: 884 2406 3342
Passcode: 8184335338

We hold this Special Public Meeting to discuss and consider Staff's proposal for the release of additional capacity for the CSP ahead of a final decision on the release of any additional capacity in September 2021. Staff released their revised proposal on July 16, 2021, and comments from stakeholders were due July 30, 2021.

The discussion will cover six main issues addressed in Staff's proposal, with a placeholder for other potential program changes. After brief opening comments by Commissioners, Staff and stakeholders, Staff will introduce each topic, and then stakeholders interested in that issue will be invited to share their thoughts with the Commissioners and participants. The Commissioners may ask questions, or provide additional thoughts for comment as we move through the agenda. The agenda may be revised or amended depending on comments received by July 30, 2021.

We adopt the following agenda for the August 26, 2021 Special Public Meeting:

1. Commissioner welcome and opening comments
2. Staff/Stakeholder opening comments (approximately 3 minutes per stakeholder)
3. Staff introduction and brief overview of specific issues, currently divided and ordered as follows:

 - d. Bill credit rates for residential and non-residential, including an escalator
 - e. Community-based capacity carve-out
 - f. Other potential program changes/general program comments
4. Final Commissioner Comments
5. Wrap up and next steps
