RE: Supplemental Filing of Advice No. 18-06, Schedule 6 Residential Pricing Pilot Term Update

Portland General Electric Company (PGE) submits this supplemental filing pursuant to Oregon Revised Statutes (ORS) 757.205 and 757.210 and Oregon Administrative Rule (OAR) 860-022-0025 for filing proposed tariff sheet associated with Tariff P.U.C. No. 18. PGE initially filed Advice No. 18-06 on March 23, 2018 with a requested effective date of May 1, 2018, which remains as originally filed. PGE is submitting this Supplemental Filing to correct the date in the Purpose section to read June 30, 2019 and not June 30, 2018 as filed.

Enclosed is the following replacement sheet:

First Revision of Sheet No. 6-1

The other sheet remains as previously filed.

To satisfy the requirements of OAR 860-022-0025, PGE provides the following response:

The proposed revision to Schedule 6, Residential Pricing Pilot, does not increase, decrease, otherwise change existing prices, or impact revenues. PGE has approximately 4,500 customers who choose to participate under this schedule.

Should you have any questions or comments regarding this filing, please contact Kalia Savage at (503) 464-7432. Please direct all formal correspondence and requests to the following email address pge.opuc.filings@pge.com

Sincerely,

SCHEDULE 6 RESIDENTIAL PRICING PILOT

PURPOSE

This residential pricing pilot is a demand response option for eligible residential Customers. The pricing pilot is designed to test several time of use options and peak time rebates. The Company will provide advance notice to participating Customers for peak time rebate events. The pilot is expected to be active through June 30, 2019.

DEFINITIONS

Event Notification – the Company will issue a notification of a Peak Time Rebate event (as described in the Peak Time Rebate Event section of this tariff) to participating Customers by 4:00 PM the day prior to the Peak Time Rebate event, as well as follow-up reminders. Participating Customers must choose at least one method for receipt of Notification. Available Notification methods include email, text, or auto-dialer phone call. Notification is also available on the Company's website. Once the Company issues a Notification, a Peak Time Rebate event will not be cancelled.

Event Season – the pilot has two event seasons: the Summer Event Season and the Winter Event Season. Prior to each season, the Company will remind the Customer that they are on the pilot, the Customer's pricing option, that they may participate in Peak Time Rebate (PTR) events (if applicable), and ways to be successful on the pilot.

Holiday – the following are holidays for purposes of the pilot: New Year's Day (January 1), Memorial Day (last Monday in May), Independence Day (July 4), Labor Day (first Monday in September), Thanksgiving Day (fourth Thursday in November), and Christmas Day (December 25). If a holiday falls on a Saturday, the preceding Friday will be designated the holiday. If a holiday falls on a Sunday, the following Monday will be designated the holiday.

Peak Time Rebate – a rebate provided to the Customer for reducing energy use during events relative to each Customer's baseline energy use. The baseline energy use is calculated using customer-specific regression analysis.

Summer Event Season – the summer event season includes the successive calendar months June through September.

Winter Event Season – the winter event season includes the successive calendar months December through February.
