RULING

DISPOSITION: MOTION TO ADMIT STIPULATION AND SUPPORTING TESTIMONY GRANTED; STIPULATION, STIPULATION ADDENDUM AND JOINT TESTIMONY ADMITTED INTO THE RECORD; REQUEST FOR WAIVER DISMISSED AS MOOT; PARTIES PRE-FILED TESTIMONY ADMITTED INTO THE RECORD; RECORD CLOSED.

On November 20, 2018, the administrative law judge suspended the procedural schedule in recognition of the representations of Cascade Natural Gas Corporation (Cascade), the Oregon Citizens' Utility Board (CUB), the Alliance of Western Energy Consumers (AWEC), and the Commission Staff (stipulating parties) that they had reached an agreement in principle on a comprehensive settlement resolving all issues in this proceeding.

On January 22, 2019, Cascade, on behalf of the stipulating parties, filed a Stipulation of the Joint Parties with the Commission. On the same date, Cascade filed a motion to admit the stipulation into the record as evidence in the proceeding and requested that the Commission waive the requirement in OAR 860-001-0350(7) that settlements be accompanied by joint testimony or a supporting brief when filed. Cascade represents that the stipulating parties support the motion and request for waiver. In support of the motion and request for waiver, Cascade stated that the filing of the stipulation was consistent with the status report filed by the Commission Staff on January 15, 2019, which indicated that the stipulating parties anticipated filing the stipulation within a matter of days, with joint testimony to follow.

On February 1, 2019, the parties filed a status letter. On February 8, 2019, on behalf of the joint parties, Cascade filed a Stipulation Addendum of the Joint Parties and Joint Testimony of the Stipulating Parties in Support of the Stipulation.
