Yes  No

- b. ORS 759.690(1)(d) defines "operator service provider" as a person who furnishes operator service under contract with a call aggregator. ORS 759.690(1)(a) defines a call aggregator as a person who furnishes a telephone for use by the public, i.e., transient use.

Will Applicant be an "operator service provider" as defined in ORS 759.690(1)(d)?

Yes  No

**11. SHARED TELECOMMUNICATIONS SERVICE:**

Shared Telecommunications Service (STS) service is defined in OAR 860-032-0001. STS includes resale of long-distance service to the STS provider's user group, but not to customers outside the user group.

- a. Provide the address of the building where shared service will be provided through privately owned customer premises equipment. If Applicant intends to serve a user group located in two or more buildings, include an electronic copy of a map clearly showing the locations to be served by the Applicant. The information on the map must be precise and legible and include street names and the city where the building(s) is(are) located.

- b. An STS site or location consists of one building, or a complex of buildings or a campus on contiguous property. An STS provider may interconnect separate sites in order to aggregate toll traffic. An STS provider may not interconnect separate sites in order to provide local exchange service between those sites.

If serving buildings at separate sites, will applicant interconnect the buildings in order to aggregate toll traffic?  Yes  No

- c. Describe the user group or association at the STS location.

NOTE: Applicant must apply to PUC for another certificate of authority in order to add subsequent STS sites.

**CONDITIONS OF A CERTIFICATE OF AUTHORITY**

As a condition of a certificate of authority, applicant must comply with all applicable Commission rules and state law, as well as conditions listed in the certificate. For your convenience, following is a summary of some conditions from OAR 860 Divisions 32 and 33. Additional conditions may be specified in the certificate.

Certificate holder must:

- Provide only the telecommunications service authorized in the certificate.
- Respond in a timely manner to Commission inquiries.
- Notify the Commission of changes to the certificate holder's name, address, email, or telephone number.
- Maintain its books and records according to the applicable rules of the Commission, and keep its books and records open to inspection by the Commission to the extent necessary to verify information required of the certificate holder.
- Meet service standards set forth in applicable Commission rules, including OAR 860-032-0012.
- Submit required reports in a timely manner, and timely pay all Commission taxes, fees, assessments, access charges, and subsidies pursuant to Oregon law or Commission rules, orders, tariffs, or price lists.
- Pay an annual fee to the Commission pursuant to the Commission's rules. This fee will be based on the certificate holder's annual gross retail intrastate revenues and will be no less than \$100 per calendar year. Certificate holder must collect the fee by charging an equitable amount to each retail customer and describe the amount of the apportioned charge on each retail customer's bill, pursuant to the Commission's rules.
- Pay a quarterly amount to the Oregon Universal Service Fund based on a Commission-approved surcharge percentage assessed on all retail telecommunications services sold in Oregon pursuant to ORS 759.425(4).
- Ensure that the Residential Service Protection Fund surcharge is remitted monthly to the Commission. This surcharge is assessed against each paying retail subscriber at a rate that is set annually by the Commission.

**Applicant understands that all services provided by Applicant must comply with all applicable Commission rules and state law, and with conditions of the certificate (check box at left).**
