RE: Docket No. ADV 810, Advice No. 18-08

On June 28, 2018, Idaho Power filed revised sheets for inclusion in its tariff, PUC OR No. E-27. Replacement sheets were filed on July 12 and August 2. A Less Than Statutory Notice (LSN) was also filed on August 2.

In its filing, the Company is proposing to modify several existing measures, remove some non-cost-effective measures, and add new prescriptive measures for the energy efficiency offerings contained within the program.

Pursuant to Order No. 18-295, the following sheets will become effective with service rendered on and after August 15, 2018.

One receipted copy of each sheet is returned for your files.
