**RE: Second Supplemental Filing of Advice No. 18-13, Schedule 110 Energy Efficiency Customer Service**

Portland General Electric Company (PGE) submits this supplemental filing pursuant to Oregon Revised Statutes (ORS) 757.205 and 757.210 and Oregon Administrative Rules (OARs) 860-022-0025 and 860-022-0030 for filing proposed tariff sheets associated with Tariff P.U.C. No. 18. PGE initially filed Advice No. 18-13 on October 17, 2018 with a requested effective date of January 1, 2019. PGE then supplemented the filing on November 21, 2018 to update the language. PGE is now submitting this Supplemental Filing at the request of Staff to allow more time for review. PGE now requests an effective date of February 1, 2019.

All sheets remain as previously filed.

To satisfy the requirements of OARs 860-022-0025(2), and 860-022-0030 PGE provides the following responses:

This supplemental filing does not change the prices to the previously filed tariff sheets. The original filing on October 17, 2018 of repricing of Schedule 110 results in an approximate \$121,164 or 0.007% overall average rate increase for the 894,576 (2019 forecasted) Customers. A typical Schedule 7 Residential Customer consuming 800 kWh monthly will see a bill increase of \$0.01 or 0.01%.
