As has been previously noticed, the Public Utility Commission will be holding a Public Comment Hearing from 5:30 p.m. to 7:30 p.m., on February 7, 2019, at Great Hall, 57081 Great Hall Loop, Landmark Rooms 1 and 2, Sunriver, OR 97707.

The purpose of this memorandum is to inform the parties as to the conduct of the public comment hearing. I will preside over the event, and will be joined by Commissioner Tawney. The event is being held solely to receive comments from members of the public and to answer questions they may have. There will not be formal presentations from the parties involved. We ask party representatives to attend to serve as a resource for questions that may be asked.

A court reporter will be present to record any comments from individual customers. The comments received will be included in the administrative record in this case and may be used by the Commission Staff and the parties to help inform the formal proceeding. The comments will not, however, be considered part of the official evidentiary record on which the Commission make its decision.
