APPLICATION FOR
REAUTHORIZATION FOR
DEFERRED ACCOUNTING

16 In accordance with ORS 757.259, ORS 757.262, and OAR 860-027-0300, Cascade Natural Gas
17 Corporation (“Cascade” or the “Company”) files this application (“Application”) with the Public Utility
18 Commission of Oregon (“Commission”) for an order reauthorizing the Company to record and defer for
19 the twelve-month period beginning January 1, 2023, and ending December 31, 2023, the under-and
20 over-collections associated with the Company’s Schedule 31, Public Purpose Charge (“PPC”).

21 **I. INTRODUCTION**

22 In May 2006, in accordance with the terms established in Commission Order No. 06-191 issued
23 in Docket UG-167, the Company began charging the Schedule 31, PPC. The PPC adds a charge equal to a
24 set percentage of a customer’s total monthly natural gas bill. This charge funds the Company’s energy
25 efficiency programs that are administered by the Energy Trust of Oregon (“Energy Trust”) as well as the
26 Company’s low-income weatherization and low-income bill pay assistance programs that are
27 administered by Community Action Agencies (“CAAs”). Schedule 31 establishes the parameters for the
28 PPC, including the amount charged and the percentage of monthly collections that are passed through
29 to either the Energy Trust or the CAAs.

30 The PPC charge percentages are determined by taking the annual budget for each program
31 supported by the charge then dividing the amount by expected annual revenues. The Company has

1 historically adjusted the annual budgets needed in a preceding calendar year by any carryover of
2 funding, whether that carryover is positive or negative.

12 **III. DEFERRED ACCOUNTING RULE REQUIREMENTS**

13 The following information is provided pursuant to the requirements set forth in OAR 860-027-
14 0300(3).

15 **A. Description of Utility Expense – OAR 860-027-0300(3)(a)**

16 In this application, Cascade is requesting to defer the over- or under-collections of the Schedule
17 31, PPC.

18 **B. Reasons for Deferral – OAR 860-027-0300(3)(b)**

19 The Company's initial filing in Docket UM 1980 was in response to the Commission's ruling made
20 on April 10, 2018, on PacifiCorp's (d.b.a. Pacific Power's) Advice No. 18-001 wherein the Commission
21 determined that residual credits or debits associated with Pacific Power's pass through balancing account
22 for their Multnomah County Business Income Tax (MCBIT) collections must be tracked in a deferral
23 account in order for the debit or credit to be passed on to customers in a later period without violating the
24 prohibition against retroactive ratemaking. The Company has historically treated its PPC collection
25 account as a balancing account, passing on any over- or under-collection to customers through a revised
26 PPC rate. Since this is no longer allowed, the Company is filing this application to reauthorize deferred
27 accounting treatment for PPC debits and credits. The Commission initially authorized deferral treatment of

1 the Company’s PPC funding per Order No. 19-100 on March 21, 2019. The deferral may be reauthorized
2 under ORS 759.259(2)(e) in order to minimize the frequency of rate changes or the fluctuation of rate
3 levels or to match appropriately the costs borne by and benefits received by ratepayers.

4 **C. Proposed Accounting - OAR 860-027-0300(3)(c)**

5 Cascade proposes to account for balancing PPC debit and credits in the deferral sub-account
6 242.9. In the absence of deferred accounting, the Company would record PPC program expenses in the
7 appropriate sub-account for FERC Account 908.

8 **D. Estimate of Amounts - OAR 860-027-0300(3)(d)**

9 The Company is not able to estimate the amount that may be deferred and considered a
10 carryover balance at the end of 12-months since these funds are passed through to other third parties
11 who manage the spending of these dollars.

12 **E. Notice – OAR 860-27-0300(6)**

13 The Notice of Application and a Certificate of Service are provided as an attachment to this
14 application.

15 **F. A Description and Explanation of Entries in the Deferred Account – OAR 860-027-300(4)(a)**

16 In this application, Cascade is requesting to defer the over- or under-collections of the Schedule
17 31, PPC. The PPC debits and credits derive from the Company’s conservation and low-income programs.
18 This includes payments by the Company to Energy Trust for its administration of energy efficiency
19 programs as well as the Company’s low-income weatherization and low-income bill pay assistance
20 programs that are administered by CAAs.

21 **G. The Reason for Continuation of Deferred Accounting – OAR 860-027-0300(4)(b)**

22 The continuation of deferred debits and credits associated with the Company’s Public Purpose
23 Charge is justified as these allocations are continuing in nature and were previously approved by the
24 Commission per Docket No. UM 1980, Order No. 21-473 on December 20, 2021.

1 **IV. CONCLUSION**

2 Cascade requests that in accordance with ORS 757.259, the Commission reauthorize the
3 Company to defer the debits and credits described in this Application.

6 /s/Lori A. Blattner
