

ISSUED: July 19, 2019

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UE 352

In the Matter of

PACIFICORP, dba PACIFIC POWER,

2019 Renewable Adjustment Clause.

RULING

DISPOSITION: DEADLINE EXTENDED

On June 26, 2019, we granted a motion filed by PacifiCorp dba Pacific Power to suspend the procedural schedule in this proceeding. In a July 2, 2019 status update, PacifiCorp indicated that the company had reached a settlement in principle with all parties to this proceeding and was working to file a stipulation and testimony. On July 3, 2019, we issued a ruling establishing a deadline of July 23, 2019 for the parties to submit a settlement with supporting testimony or a joint brief.

On July 18, 2019, PacifiCorp filed a motion seeking an extension from July 23, 2019 to August 1, 2019 for filing a settlement and supporting testimony in order to finalize all the technical aspects of the settlement. PacifiCorp requests expedited treatment, and in accordance with OAR 860-001-0420(6), PacifiCorp consulted the parties to this proceeding and indicates that they do not oppose the motion.

For good cause shown, PacifiCorp's motion is granted and a settlement with supporting testimony or a joint brief is due on August 1, 2019.

The procedural schedule originally established in this proceeding included a deadline for the company's reply brief on August 14, 2019 and a target date for a Commission decision of September 15, 2019. In the event that the parties fail to file a comprehensive, all-party settlement, any proposed procedural schedule must similarly provide for at least one month between the filing of a final reply brief and a target Commission decision.

Dated this 19th day of July, 2019, at Salem, Oregon.
