RE: Docket No. ADV 948, Advice No. 19-04

On April 3, 2019, Northwest Natural filed revised sheets for inclusion in its tariff, PUC OR No. 25.

The purpose of this filing is to revise the calculation of the Monthly Incremental Cost of Gas (MICO_G) to better reflect the Pacific Northwest gas market available to non-residential customers that switch from transportation service to sales service outside of the Annual Service Election Period (referred to as Out-of-Cycle Transfers) or that are sales service customers that have selected the Winter Weighted Average Cost of Gas (WACO_G) commodity option, with a housekeeping change.

In accordance with a decision of the Commission in the Public Meeting of May 21, 2019, the attached sheets will become effective with service rendered on and after November 1, 2019.

One receipted copy of each sheet is returned for your files.
