RE: Supplement to Tariff Advice No. 19-07
References to New Schedule 5 – Residential Service, Time-of-Day Pilot Plan (Optional)
Addition of Schedule 92 and Replacement Sheet for Schedule 56

Attention Filing Center:

On May 23, 2019, Idaho Power Company (“Company”) filed Advice No. 19-07 requesting to add references of the newly approved Schedule 5, Residential Service, Time-of-Day Pilot Plan, to other affected rules and schedules in Idaho Power’s tariff that reference Residential Service. The original filing did not include Schedule 92; therefore, after speaking with Public Utility of Oregon staff, the Company is making this supplemental filing to include Schedule 92.

Additionally, the Company is providing with this supplement a replacement page for Schedule 56, Sheet No. 56-3, because the version previously provided in this advice filing did not have the correct header and footer.

Ninth Revised Sheet No. 92-1	Cancelling	Eighth Revised Sheet No. 92-1 ¹
Seventh Revised Sheet No. 56-3	Cancelling	Sixth Revised Sheet No. 56-3 ²

Because this advice filing is not being made within 30 days of the requested effective date of June 1, 2019, an L.S.N. is also enclosed. If you have any questions regarding this filing, please contact Senior Regulatory Analyst Courtney Waites at (208) 388-5612 or cwaites@idahopower.com.

Sincerely,

Julia A. Hilton
Senior Counsel
