SUBJECT: **Asotin Telephone Company, Docket No. ADV 974/Advice Letter No. 132
Revises tariff rates for Intrastate Access Service as required by FCC Order
No. 11-161 and subsequent orders.**

I have reviewed this filing and recommend that an acknowledgement letter be sent. The filing was submitted on May 29, 2019 and will go into effect on July 2, 2019.

This filing revises Asotin Telephone Company's Tariff PUC Or. No 3, Access Services, as required by FCC Order No. 11-161, released November 18, 2011, and subsequent Orders on Reconsideration.

As required by the FCC, intrastate terminating access and reciprocal compensation rates will gradually be eliminated and replaced by a bill & keep process. For Rate of Return carriers, this phase down began on July 1, 2012 and is to be completed on July 1, 2020. This revision of tariffs represents step eight of nine.

Other rate changes included in this filing are revised to be at parity with NECA's interstate switched access rates.

This filing will not cause the withdrawal of service, or conflict with other schedules and is revenue neutral.
