RULING

DISPOSITION: UPDATE TO PROCEDURAL SCHEDULE GRANTED

On June 17, 2020, Staff filed a motion requesting a ruling regarding the procedural schedule in this docket. Staff stated that, after conferring with the parties, a Commissioner Workshop prior to commencement of the Phase 2 portion would be helpful. Specifically, the motion noted that a workshop would assist in identifying areas of consensus among the parties, highlight areas in need of additional Commission guidance, and make parties available to answer questions from Commissioners.

Due to various summer schedules, the parties requested scheduling a Commissioner Workshop on the following date:

EVENT	DATE
Commissioner Workshop (teleconference)	August 20, 2020

Staff proposed that the parties file a draft agenda for consideration and potential feedback or modification by the Commissioners at least two weeks prior to the workshop. In order to provide sufficient time for review, possible modification and timely posting, I request that the parties provide a draft agenda for consideration one month prior to the workshop.

I grant the motion. The Commissioner Workshop, via teleconference, will be held on the above date, beginning at 9:30 a.m. In order to conduct the workshop on this date, I direct the parties to submit a draft agenda for consideration no later than July 20, 2020.

Dated this 19th day of June, 2020, at Salem, Oregon.
