In the Matter of

CONSUMERS,

Petition for Investigation Into Long-Term

RULING

DISPOSITION: MOTION DENIED

On June 30, 2020, Portland General Electric Company filed a stipulated motion to amend the procedural schedule to move the Phase I workshop from August 20, 2020, to August 7, 2020, subject to Commissioner availability. PGE states the purpose of identifying other possible dates is to keep this docket moving forward expeditiously and that no party objects to the motion.

On June 19, 2020, Administrative Law Judge (ALJ) assigned to this docket, issued a ruling granting Staff's motion to hold a workshop in Phase I of this proceeding on August 20, 2020. In Staff's motion of June 17, 2020, Staff indicated that parties were continuing to look for additional dates that could work for all parties for the workshop. PGE states it conferred with the parties and found that parties are also available on August 7, 2020 as an alternative date for this workshop.

RULING

The motion is denied. After reviewing the Commissioners' calendars, it is determined that the August 7, 2020 date is unavailable for a Commissioner workshop. The current schedule issued by the ALJ on June 19, 2020, is unchanged.

Dated this 2nd day of July, 2020, at Salem, Oregon.
