1	BEFORE THE PUBLIC UTILITY COMMISSION				
2	OF OREGON				
3	LC 74				
4	In the Matter of				
5	IDAHO POWER COMPANY,	STAFF MOTION TO MODIFY PROCEDURAL SCHEDULE			
6	2019 Integrated Resource Plan.	[Expedited Consideration Requested]			
7					
8	Staff of the Oregon Public Utility Commission (Staff) asks the Administrative Law Judge				
9	(ALJ) for an order modifying the procedural schedule in this matter. Staff has consulted with all				
10	parties to this docket regarding the request and no party objects to Staff's request.				
11	Currently, the schedule calls for Staff and Intervenors to file Final Comments regarding				
12	Idaho Power Company (Idaho Power)'s 2019 Integrated Resource Plan (IRP) on June 19, 2020.				
13	However, Idaho Power recently filed an amendment to its IRP on June 1, 2020. Staff and				
14	intervenors require additional time to review the amendment before filing Final Comments.				
15	Idaho Power does not object to this request. And, to accommodate Staff's request for additional				
16	time to file Final Comments, it is appropriate to move all the remaining dates in the procedural				
17	schedule so that no party is prejudiced.				
18	Because the next date in the procedural schedule is one week from today, Staff requests				
19	expedited consideration under OAR 860-001-420(6) and a shortened period for replies. Staff's				
20	discussion with parties to this docket indicated no party objects to resolving this motion on an				
21	expedited basis.
