DISPOSITION: PETITION TO INTERVENE GRANTED FOR LIMITED PURPOSES

The Commission has received petitions to intervene from the STOP B2H Coalition and Gail Carbiener.

This proceeding is not a contested case under ORS 183.310(2) and will be conducted under the process set forth in OAR 860-027-0400. Persons need not intervene as a party in order to participate in this proceeding, and may attend workshops, submit written comments, and provide oral comments to the Commission at public comment meetings. Persons may seek party status, however, for the limited purposes of receiving copies of filings made by others and to be eligible to sign a protective order to obtain access to confidential information. Party status in this proceeding, however, does not confer the general rights and duties as those of parties in contested case proceedings.

The petitions to intervene filed by the STOP B2H Coalition and Mr. Carbiener are granted for the limited purposes described above.

Dated this 6th day of February, 2020 at Salem, Oregon.
