17 Under OAR 860-087-0020(2)(c) of the Transportation Electrification Plan rules, Staff is  
18 required to work with parties to propose a procedural schedule for the review of an electric  
19 company's Transportation Electrification Plan after it is filed. OAR 860-087-0020(2)(c) further  
20 states that "[t]he schedule will be adopted by an administrative law judge and will provide an  
21 opportunity for written comments by Commission staff and stakeholders, and reply comments by  
22 the electric company."

23 Idaho Power Company (Idaho Power) filed its 2019 Transportation Electrification Plan  
24 on November 1, 2019. Staff subsequently drafted a proposed procedural schedule that included  
25 the elements required by OAR 860-087-0020(2)(c). The Administrative Hearings Division  
26 (AHD) circulated the proposed schedule and an updated proposed schedule to the UM 1810, UM

1 1811, UM 1815, and AR 599 Service Lists. In the email correspondence accompanying the  
2 proposed schedule, AHD instructed any party seeking changes to contact the Staff lead for this  
3 docket, Eric Shierman. Mr. Shierman did not receive any comments or proposed changes.  
4 Counsel for Staff also circulated this motion to the same service lists and received no objections.  
5 Staff therefore respectfully requests that the presiding ALJ adopt the above procedural schedule.
