Re: UM 2051 - Fossil Lake Solar Project

Dear Judge Lackey:

As you are aware, today is the deadline specified for the parties to request oral argument in the above-referenced proceeding. Based on the briefs filed in this case, and because this is purely a legal question of contract interpretation, Fossil Lake Solar, LLC ("Fossil Lake") does not believe that oral argument is necessary. That being said, Fossil Lake would be glad to participate in oral argument if the Commission would find it helpful.

Very truly yours,
