Re: UM 2051 - Fossil Lake Solar, LLC v. Portland General Electric Company

Dear Judge Lackey:

Portland General Electric Company (“PGE”) requests oral argument on its motion for summary judgment. The issue at stake in this proceeding is significant (PGE estimates its impact on customers as exceeding \$10 million) and briefing on the cross-motions for summary judgment will be extensive (the schedule provides for six briefs on the cross-motions). Oral argument will provide a valuable opportunity for the parties to summarize their arguments and for the Commissioners to get answers to any questions they have about those arguments.

PGE is willing to participate in oral argument by video conference (e.g., Zoom or Microsoft Teams), telephone conference, or other remote means as necessary during the COVID-19 pandemic.

Very truly yours,

Jeffrey S. Lovinger
