

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UM 2057

ST. LOUIS SOLAR, LLC,

Complainant,

vs.

PORTLAND GENERAL ELECTRIC
COMPANY,

Defendant.

RULING

Pursuant to ORS 756.500.

DISPOSITION: MOTION GRANTED; SCHEDULE HELD IN ABEYANCE

On July 22, 2020, St. Louis Solar LLC filed a status report and motion to hold the case in abeyance for one week, and requested expedited consideration of its motion.

In its status report, complainant states that the parties had not been able to confer on certain matters since agreeing to do so at the telephone prehearing conference held on July 17, 2020, and requests an additional week's extension in order to do so. Holding the proceedings in abeyance for one week would result in a schedule, as follows:

Pleading	Date
St. Louis Response to PGE Motion to Strike or Leave to Reply	August 4, 2020
St. Louis Motion for Leave to File a Sur-Response to PGE Sur-Reply	August 4, 2020
St. Louis Sur-Response	August 4, 2020

Complainant notes that PGE supports its motion and has reserved its right to reply to the St. Louis Response and to respond in opposition to St. Louis' Motion for Leave to File a Sur-Response and the St. Louis Sur-Response.

RULING

I find that the complainant has shown good cause to grant the motion. The motion is granted.

Dated this 23rd day of July, 2020, at Salem, Oregon.
