

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UM 2057

ST. LOUIS SOLAR, LLC,

Complainant,

vs.

PORTLAND GENERAL ELECTRIC
COMPANY,

Defendant.

Pursuant to ORS 756.500.

RULING

DISPOSITION: MOTION GRANTED; SCHEDULE HELD IN ABEYANCE

On July 29, 2020, St. Louis Solar, LLC, filed a motion to hold the case in abeyance indefinitely, and requested expedited consideration of its motion.

In its motion, St Louis Solar states that the parties have conferred and St. Louis Solar intends to either file an amended complaint or seek joint voluntary dismissal of its claims and of Portland General Electric Company's counterclaims. If St. Louis Solar voluntarily dismissed its case, it would do so without prejudice and then re-file a new complaint. PGE has reserved its right to respond to any outstanding pleadings. Abeyance will affect the filing deadlines of three pending or potential filings by St. Louis Solar to respond to the two filings made by PGE.

St. Louis Solar notes that PGE supports its motion and has reserved its right to reply to the pending or potential filings by St. Louis Solar.

RULING

I find that St. Louis Solar has shown good cause to grant the motion. The motion is granted. The schedule in these proceedings is temporarily held in abeyance. In the event no further pleadings are filed in the interim, the parties shall submit a status report on or before August 31, 2020.

Dated this 30th day of July, 2020, at Salem, Oregon.
