RE: UG 389 – Supplemental Compliance Filing

Attached for electronic filing, in lieu of physical copies as permitted in Order No. 20-088, is the Supplemental Compliance Filing pursuant to Order No. 20-468 in Docket UG-389.

On January 11, 2021, Avista filed its Compliance Filing in the above referenced docket. Included in that filing were revised tariffs effectuating the Commission's final order, after reflecting updated transfer-to-plant information for certain projects.

During Staff's review, it found that an additional term was required for Schedules 425 and 439. That term is "subject to the limitations found in Order 20-468" to reflect the fact that only a certain number of customers could take service under those schedules.

Attached for filing, therefore, are the following tariff Sheets, dated January 13, 2021:

Supplemental Original Sheet 425
Supplemental Original Sheet 439

Please direct any questions regarding this filing to me at (509) 495-8620 or patrick.ehrbar@avistacorp.com.

Sincerely,

/s/ Patrick Ehrbar
