Re: Docket UM 2068 - In the Matter of NORTHWEST NATURAL GAS COMPANY, dba NW NATURAL, Application to Defer Costs Associated with the COVID-19 Public Health Emergency.

Attention Filing Center:

On June 29, 2022, Northwest Natural Gas Company (“NW Natural”) filed a Multi-Party Stipulation Regarding Decoupling, Residential Customer Deposits, the Oregon Low Income Energy Efficiency Program, and COVID-19 Deferral Costs (“Second Stipulation”) in Docket UG 435, NW Natural’s Request for a General Rate Revision, and Docket UG 411, Schedule 198 Renewable Natural Gas Recovery Mechanism (consolidated). On June 30, 2022, Administrative Law Judge (“ALJ”) Sarah Spruce issued a ruling (“Ruling”) in those consolidated dockets admitting the Second Stipulation in the record and directing NW Natural to file notice of the Second Stipulation in Docket UM 2068. In accordance with ALJ Spruce’s Ruling, NW Natural files this notice advising the Commission and parties to the above-captioned docket that the Second Stipulation in Dockets UG 435 and UG 411 was filed on June 29, 2022.
