Complainant,

vs.

PORTLAND GENERAL ELECTRIC
COMPANY,

Defendant.

Pursuant to ORS 756.500.

RULING

DISPOSITION: SIXTH JOINT MOTION TO MODIFY PROCEDURAL SCHEDULE
GRANTED

On June 15, 2020, Complainant Zena Solar, LLC and Defendant PGE (collectively, the joint parties) filed a joint motion requesting expedited consideration and approval of a sixth procedural schedule modification in these proceedings. In the motion, the joint parties state that the purpose of the requested deadline modifications are to provide the joint parties additional time to explore a possible settlement. The requested changes are as follows:

EVENT	PREVIOUS DATE	PROPOSED DATE
Zena Solar Response to Counterclaims	June 15, 2020	June 29, 2020
Selection of Procedural Path	June 15, 2020	June 29, 2020
PGE Response to Zena Solar Motion for Interim Relief and Preliminary Injunction	June 26, 2020 (dependent on procedural path)	July 10, 2020 (dependent on procedural path selected on June 15, 2020)
Interim Relief Period Deadline	July 28, 2020	August 11, 2020

Subsequently or in substitution of some of the dates listed above, the joint parties further state that they will follow one of two procedural paths. In the first path, the joint parties will resolve Zena’s motion for interim relief and preliminary injunction first, and then commence a second part resolving the merits of the case.

Under the second path, the joint parties will endeavor to resolve both issues simultaneously.

RULING

I grant the motion. Having shown good cause, the joint parties shall abide by the agreed upon procedural schedule as presented above. I request that the joint parties file any further proposed procedural revisions in a joint motion on or before June 29, 2020, to clarify the procedural path that the parties choose.

Dated this 15th day of June, 2020, at Salem, Oregon.
