RE: UE 377 – Planned Thermal Maintenance Update

Dear Filing Center:

In accordance with OPUC Order No. 09-433 and the stipulation approved therein, PGE is providing this letter as notification of changes to the forecast of planned maintenance outages and testing for the Beaver, Port Westward 1, and Port Westward 2 generating facilities. PGE will include the revised forecast of planned maintenance outages and testing in its MONET update to be filed on July 15, 2020.

Detailed descriptions of the changes to the planned maintenance outage and testing schedules are provided as Attachment A. A work paper providing updates to the planned maintenance outage and testing schedules for the plants identified above is provided as Attachment B. Attachments will be submitted per directions in Order 20-088.

Attachments A and B are protected information and subject to Protective Order No. 20-100.

If you have any questions or require further information, please contact Stefan Cristea at 503-464-8033. Please direct all formal correspondence and requests to the following email address: pge.opuc.filings@pgn.com.

Sincerely,

/s/ Jaki Ferchland
