RULING

DISPOSITION: COMPLAINT DISMISSED WITH PREJUDICE; DOCKET CLOSED

On June 15, 2020, Sandy River Solar, LLC (Sandy River Solar) filed a voluntary Notice of Dismissal With Prejudice as to all claims in this proceeding against defendant Portland General Electric Company (PGE) pursuant to OAR 860-001-0000 and Oregon Rule of Civil Procedure 54 A(1). Sandy River Solar represents that it has consulted PGE, and PGE does not oppose dismissal with prejudice.

In this proceeding, Sandy River Solar sought to terminate the Public Utility Regulatory Policies Act (PURPA) standard power purchase agreement (PPA) between PGE and Sandy River Solar. In a motion to stay filed May 26, 2020, PGE and Sandy River Solar represented that they are parties to a settlement agreement, filed as a supplement to Advice No. 20-09, Schedule 136, under which PGE agreed to provide an option for Sandy River Solar to terminate the PPA. In that motion, PGE and Sandy River Solar agreed that the Commission’s actions at the May 19, 2020 Public Meeting satisfied the terms of the settlement agreement regarding Schedule 136.

The settlement of disputes by mutual agreement is an efficient means of furthering the public interest. Sandy River Solar’s complaint is dismissed with prejudice. This docket is closed.

Dated this 2nd day of July, 2020, at Salem, Oregon.
