

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UM 2083

CARNES CREEK SOLAR, LLC,

Complainant

vs.

PORTLAND GENERAL ELECTRIC
COMPANY,

Defendant.

RULING

DISPOSITION: COMPLAINT DISMISSED WITH PREJUDICE; DOCKET CLOSED

On June 29, 2020, Carnes Creek Solar, LLC (Carnes Creek Solar) filed a voluntary Notice of Dismissal With Prejudice as to all claims in this proceeding against defendant Portland General Electric Company (PGE) pursuant to OAR 860-001-0000 and Oregon Rule of Civil Procedure 54 A(1).¹ Carnes Creek Solar represents that it has consulted PGE, and PGE does not oppose dismissal with prejudice.

In this proceeding, Carnes Creek Solar sought to terminate the Public Utility Regulatory Policies Act (PURPA) standard power purchase agreement (PPA) between PGE and Carnes Creek Solar. In a motion to stay filed May 26, 2020, PGE and Carnes Creek Solar represented that they are parties to a settlement agreement, filed as a supplement to Advice No. 20-09, Schedule 136, under which PGE agreed to provide an option for Carnes Creek Solar to terminate the PPA. In that motion, PGE and Carnes Creek Solar agreed that the Commission's actions at the May 19, 2020 Public Meeting satisfied the terms of the settlement agreement regarding Schedule 136.

¹ In its notice of dismissal, Carnes Creek Solar states that it intends to file an interconnection complaint against PGE, to be docketed as UM 2109. Carnes Creek Solar represents that it understands that the dismissal of this complaint with prejudice will not limit its ability to raise claims unrelated to this complaint in that proceeding.

The settlement of disputes by mutual agreement is an efficient means of furthering the public interest. Carnes Creek Solar's complaint is dismissed with prejudice. This docket is closed.

Dated this 30th day of June, 2020, at Salem, Oregon.
