vs.

PORTLAND GENERAL ELECTRIC
COMPANY,

Defendant.

RULING

DISPOSITION: JOINT MOTION TO STAY PROCEEDING GRANTED

By ruling dated May 28, 2020, this proceeding was stayed until August 31, 2020. On September 15, 2020, Portland General Electric Company (PGE) and Cusack Solar, LLC (Cusack Solar) filed a joint motion to further stay this proceeding (motion to stay) until September 23, 2020.

In this proceeding, Cusack Solar seeks to terminate the Public Utility Regulatory Policies Act (PURPA) standard power purchase agreement (PPA) between PGE and Cusack Solar. In their motion to stay, PGE and Cusack Solar represent that they are parties to a settlement agreement, filed as a supplement to Advice No. 20-09, Schedule 136, under which PGE agreed to provide an option for Cusack Solar to terminate the PPA. Also under that settlement agreement, Cusack Solar agreed to request to stay this proceeding if the Commission approved PGE's Schedule 136. PGE and Cusack Solar agree that the Commission's actions at the May 19, 2020 Public Meeting satisfy the terms of the settlement agreement regarding Schedule 136. PGE and Cusack Solar represent that they are attempting to resolve issues related to implementation of that settlement agreement and thus seek a stay until September 23, 2020.

PGE and Cusack Solar's motion to stay this proceeding until September 23, 2020 is granted.

Dated this 15th day of September, 2020, at Salem, Oregon.
