**RE: Supplemental Filing of Advice No. 20-24, Compliance Filing, Schedule 129,
Enrollment Period S Referencing Advice No. 20-15**

Portland General Electric Company (PGE) submits this filing pursuant to Oregon Revised Statutes (ORS) 757.205 and 757.210 and Oregon Administrative Rule (OAR) 860-022-0025 and 860-022-0030 for filing proposed tariff sheets associated with Tariff P.U.C. No. 18. PGE initially filed Advice No. 20-24 on August 27, 2020 with an effective date of September 1, 2020 which remains as previously filed. PGE is submitting this Supplemental Filing as an error was discovered in the work papers which affected the prices in the Enrollment Period S Transition Cost Adjustments.

Enclosed are the following replacement sheets.

Thirty Second Revision of Sheet No. 129-3
Thirteenth Revision of Sheet No. 129-5

To satisfy the requirements of OARs 860-022-0025(2) and 860-022-0030(1), PGE provides the following responses:

OAR 860-022-0025 and 860-0022-0030 requires that PGE submit a statement of the tariff schedule change, the number of customers affected, the change in revenue, and the grounds supporting the change. The prices are limited to a number of eligible customers, all of whom may choose not to participate, therefore, it is unknown how many customers will make this election and the revenue change is unknown.
