RE: Revised Schedule 12

Avion Water Company submitted Advice 20-03 (Schedule 12) to the Public Utility Commission on 7/09/2020. The purpose of this filing is to update the System Impact Fee for developers in Woodriver Village using Avion Water Company's services.

Schedule 7 of the Avion Tariff is currently on the agenda for the July 14, 2020 PUC meeting. As an outcome of the changes to Schedule 7, changes are required in Schedule 12 of the Avion Tariff to maintain alignment within the two tariffs.

Because the water main which was funded by Schedule 12 has been built and the tariff is in the "Refunds-Ten Year Line Share Agreement" phase, the superfluous sections have been removed and the revised tariff is significantly shorter. Upon PUC approval, please remove both pages of the previous version and replace with the two newly filed pages.

Please direct any questions or notifications of action taken on this filing to Adam Jackson at (541) 382-5342 or adam@avionwater.com.

Sincerely,

/s/

Adam Jackson
