**Re: RG 94 / UM 2114—NW Natural's Quarterly Report of Energy Utilities Reporting Items**

As required by Order No. 20-401 issued in UM 2114, enclosed for filing is Northwest Natural Gas Company, dba as NW Natural's (NW Natural or Company), compliance report providing the data specified in Attachment A of the approved stipulated agreement for the month of December 2020 and the fourth quarter of 2020. The data provided includes detail by month, by zip code; due to the extensive volume, Zip+4 data is available upon request.

Please note with regard to reporting requirement items h) and i) relating to medical certificate data: NW Natural is unable to provide this information at this time because the data in our Customer Information System is for current medical certificates only and is not retained after the medical certificates expire; as a result, this data will need to be gathered by hand with manual records. The Company is in the process of gathering this data and will supplement our response when the data collection has been completed.

The Company has designated a portion of this report as confidential because it contains material, nonpublic financial information as defined by the Securities and Exchange Commission's Regulation FD and is exempt from public disclosure under OAR 860-001-0070.

NW Natural's parent company, Northwest Natural Holding Company, has scheduled its fourth quarter earnings release for February 26, 2021, after which the enclosed report would no longer require the confidential designation. Accordingly, NW Natural will refile the enclosed report without the confidential designation after that time.
