Re: RE 188 (UM 2114) – Investigation into the Effects of the COVID-19 Pandemic on Utility Customers. PGE Report of COVID-19 related late payment fees, time payment agreements, arrearages, disconnects and reconnects

Dear Filing Center:

On November 5, 2020, the Commission issued Order No. 20-401 in Docket No. UM 2114, Investigation into the Effects of the COVID-19 Pandemic on Utility Customers formally approving Staff's recommendation. The Staff Report approved by Order 20-401 included a recommendation that the Commission approve the Stipulated Agreement on the Effects of the COVID-19 Pandemic on Energy Utility Customers. Attachment A of the Stipulation requires that each energy utility (utility) report certain information on a monthly basis for the prior month through December 2023. The first monthly report was due November 1, 2020, for October 2020, with subsequent monthly reports due the 20th day of the following month.

Further, Commission Order 21-057 included the requirement that the utilities that signed the UM 2114 Stipulated Agreement report on a monthly basis the number of recipients per Arrearage Management Program (AMP) option, total funds expended, total funds available, funds expended per option and average customer payments per option.

Attached is the PGE monthly COVID-19 report for November 2022. The AMP activity information for October 2022 is included on the "Program Participation" tab. Program Participation values for October 2022 have been updated to reflect that the Three-Month Payment match program has ended and only "participants" are reflected without customers "enrolled" but not participating. The updated response for IR 040 with data for October 2022 is also included as a separate tab. If you have any questions regarding the report, please contact Stefan Brown at (503) 464-8172. Please direct all formal correspondence and requests to the following email address pge.opuc.filings@pgn.com.

Sincerely,

*Customers are placed in their age bucket by their oldest outstanding balance. This is done to ensure that the customer is represented in only one age bucket. Because of this, their total outstanding balance is also represented in only one age bucket, the age bucket of their oldest outstanding balance.

Attachment A subpart j (Amount) - Total number of residential customers and small commercial (based on Utilities' tariffs) with arrearage balances, segmented by 30-60 days; 61-90 days; 91+ days*

Amounts were made on customers that had a balance on the last Friday of October 2022.

AMP activity for October 2022

1. Number of customers enrolled and/or participating:

Program:	October	Total
• 50/50	0	9,816
• Three-Month Payment Match	0	7,993
• Extended Match	320	15,283
• Customer Assistance	35	16,767
• Reconnect Assistance	0	2,564
Total number of recipients:	355	52,423

The 50/50, Three-Month Payment Match, and Reconnect Assistance Programs have all ended. However, we continue to come across minor corrections and adjustments which is why there continues to be minimal data for these programs. Customer Assistance has been temporarily re-opened for Medical Certificate customers.

2. Funds expended by program and total:

Program:	October	Total
• 50/50	\$0	\$3,541,855
• Three-Month Payment Match	\$0	\$1,944,619
• Extended Match	\$25,862	\$9,967,445
• Customer Assistance	\$10,858	\$6,536,473
• Reconnect Assistance	\$0	\$1,230,628
Total funds expended:	\$36,720	\$23,221,020

3. Total funds unallocated:

PGE beginning tranche: \$17,557,000

PGE second tranche: \$6,000,000

Total funds unallocated:	\$243,240
---------------------------------	-----------

	Total
Total funds spent:	\$23,221,020
Total funds reserved:	\$92,740
Total funds allocated:	\$23,313,760

When calculating available funds, PGE considered the amount of funds already provided to customers and the amount set aside for each customer enrolled in the Extended Match Program. When a customer enrolled in the Extended Match, PGE allocates \$1,000 based on the max amount of funding a customer can receive on each program. If the customer gets caught up sooner and doesn't need the full allotment, those funds are then added back into total funds available.

4. Average customer payments per option:

Program:	October	Total
• 50/50	N/A	\$338
• Three-Month Payment Match	N/A	\$132

• Extended Match	\$100	\$165
• Customer Assistance	\$311	\$373
• Reconnect Assistance	N/A	\$474

This shows the average customer payment per option, as well as the average PGE match for the matching programs. The Customer Assistance and Reconnect Assistance do not require a customer payment, so the amount shown is the average amount of the assistance applied by PGE.
