Re: RE 188 (UM 2114) – Investigation into the Effects of the COVID-19 Pandemic on Utility Customers. PGE Report of COVID-19 related late payment fees, time payment agreements, arrearages, disconnects and reconnects

Dear Filing Center:

On November 5, 2020 the Commission issued Order No. 20-401 in Docket No. UM 2114, Investigation into the Effects of the COVID-19 Pandemic on Utility Customers formally approving Staff's recommendation. The Staff Report approved by Order 20-401 included a recommendation that the Commission approve the Stipulated Agreement on the Effects of COVID-19 Pandemic on Energy Utility Customers. Attachment A of the Stipulation requires that each energy utility (utility) report certain information on a monthly basis for the prior month through December 2023. The first monthly report was due November 1, 2020 for October 2020, with subsequent monthly reports due the 20th day of the following month.

Attachment A of the Commission approved Stipulation in UM 2114 requires that each energy utility report certain information on a monthly basis for the prior month through December 2023 with monthly reports due the 20th day of the following month. Further, Commission Order 21- 057 included the requirement that the utilities that signed the UM 2114 Stipulated Agreement report on a monthly basis the number of recipients per Arrearage Management Program (AMP) option, total funds expended, total funds available, funds expended per option and average customer payments per option.

Attached is the PGE monthly COVID-19 report for June 2021. The AMP activity information for June 2021 is included on tab, "Program Participation". Should you have any questions regarding the report, please contact Stefan Brown at (503) 464-7805. Please direct all formal correspondence and requests to the following email address pge.opuc.filings@pgn.com.

Sincerely,
