Re: RE 188 (UM 2114) – Investigation into the Effects of the COVID-19 Pandemic on Utility Customers. PGE Report of COVID-19 related late payment fees, time payment agreements, arrearages, disconnects and reconnects

Dear Filing Center:

On November 5, 2020 the Commission issued Order No. 20-401 in Docket No. UM 2114, Investigation into the Effects of the COVID-19 Pandemic on Utility Customers formally approving Staff's recommendation. The Staff Report approved by Order 20-401 included a recommendation that the Commission approve the Stipulated Agreement on the Effects of COVID-19 Pandemic on Energy Utility Customers. Attachment A of the Stipulation requires that each energy utility (utility) report certain information on a monthly basis for the prior month through December 2023. The first monthly report was due November 1, 2020 for October 2020, with subsequent monthly reports due the 20th day of the following month.

Attachment A of the Commission approved Stipulation in UM 2114 requires that each energy utility report certain information on a monthly basis for the prior month through December 2023 with monthly reports due the 20th day of the following month. Further, Commission Order 21- 057 included the requirement that the utilities that signed the UM 2114 Stipulated Agreement report on a monthly basis the number of recipients per Arrearage Management Program (AMP) option, total funds expended, total funds available, funds expended per option and average customer payments per option.

Attached is the PGE monthly COVID-19 report for December 2021. The AMP activity information for November 2021 is included on the "Program Participation" tab. Program Participation values for November 2021 have been updated to reflect that the Three-Month Payment match program has ended and only "participants" are reflected without customers "enrolled" but not participating. The updated response for IR 040 with data for November is also included as a separate tab. Should you have any questions regarding the report, please contact Stefan Brown at (503) 464-7805. Please direct all formal correspondence and requests to the following email address pge.opuc.filings@pge.com.

Sincerely,

/s/ Jay Tinker

2. Funds expended by program and total:

Program:	October	Total
• 50/50	\$4,201	\$3,541,496
• Three-Month Payment Match	\$38,998	\$1,934,095
• Extended Match	\$1,010,901	\$5,867,833
• Customer Assistance	\$2,392,846	\$3,329,808
• Reconnect Assistance	\$135,904	\$183,440

3. Total funds unallocated:

PGE first tranche: \$17,557,000
PGE second tranche: \$6,000,000

Total funds unallocated:	\$1,954,919
---------------------------------	-------------

	Total
Total funds spent:	\$14,859,892
Total funds reserved:	\$6,742,189
Total funds allocated:	\$21,602,081

When calculating available funds, PGE considered the amount of funds already provided to customers and the amount set aside for each customer enrolled in the Three-Month Payment Match and Extended Match Program. When a customer enrolls in the Three-Month Payment Match, PGE allocates \$500 for them and when someone enrolls in the Extended Match, PGE allocates \$1,000 based on the max amount of funding a customer can receive on each program. If the customer gets caught up sooner and doesn't need the full allotment, those funds are then added back into total funds available.

4. Average customer payments per option:

Program:	October	Total
• 50/50	\$674	\$361
• Three-Month Payment Match	\$133	\$159
• Extended Match	\$207	\$371
• Customer Assistance	\$389	\$459
• Reconnect Assistance	\$494	\$494

This shows the average customer payment per option, as well as the average PGE match for the matching programs. The Customer Assistance does not require a customer payment, so the amount shown is the average amount of the assistance applied by PGE.

AMP activity for November

1. Number of customers enrolled and/or participating:

Program:	November	Total
• 50/50	0	9,815
• Three-Month Payment Match	65	7,990
• Extended Match	3,478	10,936
• Customer Assistance	7,089	16,055
• Reconnect Assistance	544	915
Total number of recipients:	11,176	45,711

Three-Month Payment Match has concluded. [The reduced figure YTD shows the reduction from number of customers enrolled as compared to those who actually participated and received assistance](#)

2. Funds expended by program and total:

Program:	November	Total
• 50/50	\$0	\$3,541,496
• Three-Month Payment Match	\$8,897	\$1,942,992
• Extended Match	\$662,582	\$6,530,415
• Customer Assistance	\$2,900,113	\$6,229,921
• Reconnect Assistance	\$272,015	\$455,455
Total funds expended:	\$3,843,607	\$18,700,279

3. Total funds unallocated:

PGE first tranche: \$17,557,000
PGE second tranche: \$6,000,000

Total funds unallocated:	(\$820,059)
---------------------------------	-------------

	Total
Total funds spent:	\$18,700,279
Total funds reserved:	\$5,676,780
Total funds allocated:	\$24,377,059

When calculating available funds, PGE considered the amount of funds already provided to customers and the amount set aside for each customer enrolled in the Extended Match Program. When a customer enrolls in the Extended Match, PGE allocates \$1,000 based on the max amount of funding a customer can receive on each program. If the customer gets caught up sooner and doesn't need the full allotment, those funds are then added back into total funds available which is why the unallocated funds appear as a negative number.

4. Average customer payments per option:

Program:	November	Total
• 50/50	\$0	\$361
• Three-Month Payment Match	\$137	\$243
• Extended Match	\$191	\$597
• Customer Assistance	\$409	\$388
• Reconnect Assistance	\$500	\$498

This shows the average customer payment per option, as well as the average PGE match for the matching programs. The Customer Assistance does not require a customer payment, so the amount shown is the average amount of the assistance applied by PGE.
