Re: RE 188 (UM 2114) – Investigation into the Effects of the COVID-19 Pandemic on Utility Customers. PGE Report of COVID-19 related late payment fees, time payment agreements, arrearages, disconnects and reconnects

Dear Filing Center:

On November 5, 2020 the Commission issued Order No. 20-401 in Docket No. UM 2114, Investigation into the Effects of the COVID-19 Pandemic on Utility Customers formally approving Staff’s recommendation. The Staff Report approved by Order 20-401 included a recommendation that the Commission approve the Stipulated Agreement on the Effects of COVID-19 Pandemic on Energy Utility Customers. Attachment A of the Stipulation requires that each energy utility (utility) report certain information on a monthly basis for the prior month through December 2023. The first monthly report was due November 1, 2020 for October 2020, with subsequent monthly reports due the 20th day of the following month. Having inadvertently missed the August 20th deadline, PGE hereby submits the August 2022 report and apologizes for the delay.

Commission Order 21-057 included the requirement that the utilities that signed the UM 2114 Stipulated Agreement report on a monthly basis the number of recipients per Arrearage Management Program (AMP) option, total funds expended, total funds available, funds expended per option and average customer payments per option.

Attached is the PGE monthly COVID-19 report for August 2022. The AMP activity information for July 2022 is included on the “Program Participation” tab. Program Participation values for July 2022 have been updated to reflect that the Three-Month Payment match program has ended and only “participants” are reflected without customers “enrolled” but not participating. The updated response for IR 040 with data for July 2022 is also included as a separate tab. Should you have any questions regarding the report, please contact Stefan Brown at (503) 464-8172. Please direct all formal correspondence and requests to the following email address pge.opuc.filings@pgn.com.

Sincerely,

AMP activity for July 2022

1. Number of customers enrolled and/or participating:

Program:	July	Total
• 50/50	0	9,815
• Three-Month Payment Match	0	7,993
• Extended Match	1,004	15,214
• Customer Assistance	0	16,371
• Reconnect Assistance	1	2,562
Total number of recipients:	1,005	51,955

The 50/50, Three-Month Payment Match, and Reconnect Assistance Programs have all ended. However, we continue to come across minor corrections and adjustments which is why there continues to be minimal data for these programs. Customer Assistance has been temporarily re-opened for Medical Certificate customers.

2. Funds expended by program and total:

Program:	July	Total
• 50/50	\$0	\$3,541,653
• Three-Month Payment Match	\$0	\$1,944,619
• Extended Match	\$113,670	\$9,803,202
• Customer Assistance	\$0	\$6,371,040
• Reconnect Assistance	\$500	\$1,229,628
Total funds expended:	\$114,170	\$22,890,142

3. Total funds unallocated:

PGE beginning tranche: \$17,557,000

PGE second tranche: \$6,000,000

Total funds unallocated:	\$351,188
---------------------------------	-----------

	Total
Total funds spent:	\$22,890,143
Total funds reserved:	\$315,669
Total funds allocated:	\$23,205,812

When calculating available funds, PGE considered the amount of funds already provided to customers and the amount set aside for each customer enrolled in the Extended Match Program. When a customer enrolled in the Extended Match, PGE allocates \$1,000 based on the max amount of funding a customer can receive on each program. If the customer gets caught up sooner and doesn't need the full allotment, those funds are then added back into total funds available.

4. Average customer payments per option:

Program:	July	Total
• 50/50	N/A	\$338
• Three-Month Payment Match	N/A	\$132

• Extended Match	\$122	\$166
• Customer Assistance	N/A	\$374
• Reconnect Assistance	\$500	\$474

This shows the average customer payment per option, as well as the average PGE match for the matching programs. The Customer Assistance and Reconnect Assistance do not require a customer payment, so the amount shown is the average amount of the assistance applied by PGE.
