Re: RE 188 (UM 2114) – Investigation into the Effects of the COVID-19 Pandemic on Utility Customers. PGE Report of COVID-19 related late payment fees, time payment agreements, arrearages, disconnects and reconnects

Dear Filing Center:

On November 5, 2020, the Commission issued Order No. 20-401 in Docket No. UM 2114, Investigation into the Effects of the COVID-19 Pandemic on Utility Customers formally approving Staff's recommendation. The Staff Report approved by Order 20-401 included a recommendation that the Commission approve the Stipulated Agreement on the Effects of the COVID-19 Pandemic on Energy Utility Customers. Attachment A of the Stipulation requires that each energy utility (utility) report certain information on a monthly basis for the prior month through December 2023. The first monthly report was due November 1, 2020, for October 2020, with subsequent monthly reports due the 20th day of the following month.

Further, Commission Order 21-057 included the requirement that the utilities that signed the UM 2114 Stipulated Agreement report on a monthly basis the number of recipients per Arrearage Management Program (AMP) option, total funds expended, total funds available, funds expended per option and average customer payments per option.

Attached is the PGE monthly COVID-19 report for May 2023. The updated response for IR 040 is also included as a separate tab. If you have any questions regarding the report, please contact Stefan Brown at (503) 464-8172. Please direct all formal correspondence and requests to the following email address pge.opuc.filings@pgn.com.

Sincerely,

/s/ Shay LaBray

Shay LaBray
Senior Director, Regulatory Affairs & Strategy

Attachment A subpart a - The number of customers, by customer class

Counts were made on customers on the last business day of April 2023.

Attachment A subpart j (Count) - Total number of residential customers and small commercial (based on Utilities' tariffs) with arrearage balances, segmented by 30-60 days; 61-90 days; 91+ days*

Counts were made on customers that had a balance on the last Friday of April 2023.

..... ensure that the customer is represented in only one age bucket. Because of this, their total outstanding balance is also represented in only one age bucket, the age bucket of their oldest outstanding balance.

Attachment A subpart j (Amount) - Total number of residential customers and small commercial (based on Utilities' tariffs) with arrearage balances, segmented by 30-60 days; 61-90 days; 91+ days*

Amounts were made on customers that had a balance on the last Friday of April 2023.

ensure that the customer is represented in only one age bucket. Because of this, their total outstanding balance is also represented in only one age bucket, the age bucket of their oldest outstanding balance.

Zip Code	Residential			Small Commercial

**customers and small commercial (based on Utilities' tariffs) with
arrears balances, segmented by 30-60 days; 61-90 days; 91+ days***

Averages were made on customers that had a balance on the last Friday of April 2023.

*Customers are placed in their age bucket by their oldest outstanding balance. This is done to ensure that the customer is represented in only one age bucket. Because of this, their total outstanding balance is also represented in only one age bucket, the age bucket of their oldest outstanding balance.
