INTEROFFICE CORRESPONDENCE**

**DATE:** December 7, 2020

**TO:** John Crider

**FROM:** Michelle Scala

**SUBJECT: Cascade Natural Gas Corporation:** 2021 Tariff has been updated. Cascade’s Compliance filing at Advice No. O20-12-01 for Interest Accrued on Customer Deposits and Late Payment Charge.

On December 4, 2020, Cascade Natural Gas Corporation (“Cascade” or “Company”) proposed revisions to the following tariff sheets, P.U.C. OR. No. 10:

<u><b>Oregon PUC Sheet No.</b></u>	<u><b>Canceling Oregon PUC Sheet No.</b></u>
8 <sup>th</sup> Revision Sheet No. 200.1	7 <sup>th</sup> Revision Sheet No. 200.1

Michael Parvinen, Director of Regulatory Affairs, requests to replace Oregon PUC Tariff Sheet No. 10, the 7<sup>th</sup> Revision Tariff Sheet No. 200.1 with the 8<sup>th</sup> Revision Tariff Sheet No. 200.1.

In compliance with Commission Order No. 20-437 in Docket No. UM 779, Public Utility Commission of Oregon Determination of Late-Payment Rate and Interest Accrued on Customer Deposits, Cascade has made the tariff changes to reflect the late payment rate of 2.0 percent which utilities are allowed to collect on late payments and to reflect the annual interest rate of 0.1 percent on customer deposits for calendar year 2021.

Staff’s review included verifying the following requirements for compliance with Commission Order No. 20-437:

- The late payment fee of 2.0% of unpaid balance, effective for service on and after January 1, 2021.
- The interest rate of 0.1% on customer deposits held during January 1 through December 31, 2021.
- Attachments: Cascade's Tariff Sheets for Late Payment charge and interest rate.

Staff verified Cascade’s Advice No. O20-12-01 and found that the new rates have been properly applied and the Company is in full compliance with the Commission order.
