NIPPC is a trade association whose members and associate members include independent power producers active in the Pacific Northwest and Western energy markets.¹ The purpose of NIPPC is to represent the interests of its members in developing rules and policies that help achieve a competitive electric power supply market in the Pacific Northwest.

NIPPC has a substantial interest in this proceeding because Portland General Electric Company's ("PGE's") Request for Proposal ("RFP") could have a significant impact on PGE's next major resource acquisition. Independent power producers and electricity service suppliers, including NIPPC members, may participate in PGE's next RFP, and this proceeding can help ensure that the process is reasonable, fair and

¹ NIPPC's members include but are not limited to: Calpine Corp, Constellation Exelon, Cycle, DG Energy Partners, Direct Energy, Ecoplexus, EDF Renewable Energy, EDP Renewables, Invenergy LLC, Morgan Stanley, NewSun Energy, NextEra Energy, Obsidian Renewables, Perennial Power Holdings, Rye Development, Shell Energy North America, Sierra Pacific Industries, TransAlta Energy Marketing, and Tyr Energy.

balanced. NIPPC's interests are not adequately represented by any other party in this proceeding.

NIPPC has participated in numerous regulatory proceedings related to RFPs, bidding guidelines, and competitive markets. NIPPC's legal counsel have participated in numerous Commission proceedings and investigations regarding Oregon's investor-owned utilities, including PGE. NIPPC's intervention will assist the Commission in resolving the issues and will not unreasonably broaden the issues, burden the record, or delay this proceeding.

WHEREFORE, NIPPC respectfully requests that the Commission grant its petition to intervene with full party status in this proceeding and to appear and participate in all matters as may be necessary and appropriate; and to present evidence, call and examine witnesses, cross-examine witnesses, present argument, and to otherwise fully participate in the proceedings.

Dated this 6th day of May 2021.

Respectfully submitted,

Irion Sanger
