

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

In the Matter of UM 2166

PORTLAND GENERAL ELECTRIC
COMPANY,

2021 All-Source Request for Proposals

PETITION TO INTERVENE

Oregon Solar Energy Industry Association petitions to intervene in this proceeding. In support of this petition, the following is provided:

1. The contact information (name, address, email address) of the petitioner is:

Name: Angela Crowley-Koch
Company: Oregon Solar Energy Industry Association (OSEIA)
Street Address: PO Box 14927
City, State, Zip: Portland, OR 97293
Email Address: dockets@oseia.org
Telephone: 503-867-3378

Please include this contact on the service list.

2a. The petitioner will will not be represented by counsel in this proceeding. The contact information for petitioner's counsel to be included on the service list is:

Name:
Company:
Street Address:
City, State, Zip:
Email Address:
Telephone:

2b. Additional contacts to be included on the service list (a petitioner is limited to three contacts on the service list):

Name:
Company:
Street Address:
City, State, Zip:
Email Address:

Telephone:

Name:

Company:

Street Address:

Email Address:

Telephone:

3. If the petitioner is an organization, the number of members in and the purposes of the organization:

OSEIA has 100 members. The Oregon Solar Energy Industries Association is a trade association founded in 1981 to promote clean, renewable, solar technologies. OSEIA members include businesses, non-profit groups, and other solar industry stakeholders.

List of Members attached

4. The nature and extent of the Petitioner's interest in the proceeding is:

In pursuit of our mission to promote clean, renewable solar technologies, OSEIA has been involved in the procurement of renewable energy by utilities serving Oregonians. We also regularly participate in other dockets and proceedings where issues are related to RFPs. No other party can adequately represent OSEIA's interest in this proceeding.

5. The issues the Petitioner intends to raise at the proceeding are:

OSEIA intends to participate as a party, to raise issues, and to provide testimony as appropriate to the proceeding.

6. The special knowledge or expertise of the Petitioner that would assist the Commission in resolving the issues in the proceeding is:

OSEIA has participated in other regulatory dockets before the Commission including regarding integrated resource planning, requests for proposals, Public Utility Regulatory Policies Act implementation, avoided costs, interconnection, capacity valuation and resource adequacy. OSEIA has an interest in resource procurement and ensuring that Portland General Electric Company's procurement process is handled fairly regarding all sources of generation. OSEIA anticipates participating to the extent necessary to ensure its interests are protected. OSEIA's interests are not adequately represented by any other party, and its participation will assist the Commission in resolving issues. In addition to our work on capacity-related issues in this and other dockets, OSEIA staff, consultants, and members have knowledge and experience of renewable energy resource attributes, methodologies related to capacity and resource adequacy, and policy and

regulatory considerations that may affect how the Commission and other stakeholders assess resource adequacy.

7. Based on the information provided above in accordance with the Commission's rules of procedure, I request to participate in this proceeding as an intervenor. I or the organization that I represent will not unreasonably broaden the issues, burden the record, or unreasonably delay the proceeding. OAR 860-001-0300.
