Subject: Commission workshop cancellation
Date: Thursday, October 14, 2021 4:03:15 PM

Can you please post this email to the UM 2166 docket today? Thanks!

Hi UM 2166 stakeholders,

Thanks for the engagement to date in this docket. The [schedule](#) posted to the docket on August 3, 2021, included a Commission workshop to discuss the final draft RFP on October 27, 2021. Due to scheduling conflicts, significant discussion of issues in this docket to date, and multiple opportunities for written comments leading up to the Commission Special Public Meeting to consider approval of the final draft RFP, Staff is planning to cancel this workshop. The rest of the schedule would stay the same. Please let me know by 5pm tomorrow (Friday, October 15, 2021) if there are any concerns.

Zach
