

**OREGON PUBLIC UTILITY COMMISSION
INTEROFFICE CORRESPONDENCE**

DATE: December 20, 2021

TO: File through John Crider and Bruce Hellebuyck

FROM: Russ Beitzel

SUBJECT: Roats Water Systems, Inc. (Docket No. UW 185/Advice No. 21-2) Files tariffs in compliance with Order No. 21-466.

I have reviewed this filing and recommend that an acknowledgement letter be sent. With this filing, Roats Water Systems, Inc (Roats) files tariffs in compliance with Order No. 21-466 in Docket No. UW 185.

Issue

Whether the filed tariff should be allowed to become effective for service rendered on and after January 1, 2022.

Applicable Rule or Law

Pursuant to ORS 757.205(1)-(2) and OAR 860-036-2000, a rate-regulated water utility must file schedules showing all rates, tolls, and charges for any service performed by it within the state and all rules and regulations that in any manner affect its rates. The requirements for tariff and advice letter contents are described in OAR 860-036-2010.

With Order No. 21-466, issued December 16, 2021, the Commission adopted the stipulation entered into between Roats and Staff in Docket No. UW 185. With that order, the Commission also directed Roats to file tariffs consistent with the order with an effective date of January 1, 2022.

Analysis

In compliance with Order No. 21-466, on December 17, 2021, Roats submitted tariffs reflecting Attachment B to the stipulation entered into between Staff and Roats in Docket No. UW 185. I have reviewed the filed tariff and replacement sheets, and find that this filing complies with Order No. 21-466.

Conclusion

This filing complies with applicable laws and Commission orders, and should be allowed to become effective for service rendered on and after January 1, 2022.
