

**OREGON PUBLIC UTILITY COMMISSION  
INTEROFFICE CORRESPONDENCE**

**DATE:** April 27, 2022

**TO:** File through Marc Hellman and Bruce Hellebuyck

**FROM:** Scott Shearer

**SUBJECT:** SUNRIVER WATER, LLC:  
(Docket No. UW 186/Advice No. 22-1) Files tariff in compliance  
with Order Nos. 22-085 and 22-088

I have reviewed this filing and recommend that an acknowledgement letter be sent. With this filing, Sunriver Water, LLC (Sunriver) files tariffs in compliance with Order Nos. 22-085 and 22-088 in Docket No. UW 186.

Issue

Whether the filed tariff should be allowed to become effective on May 1, 2022.

Applicable Rule or Law

Pursuant to ORS 757.205(1)-(2) and OAR 860-036-2000, a rate-regulated water utility must file schedules showing all rates, tolls, and charges for any service performed by it within the state and all rules and regulations that in any manner affect its rates. The requirements for tariff and advice letter contents are described in OAR 860-036-2010.

With Order No. 22-085, entered March 21, 2022, the Commission adopted the stipulation entered into between the parties in Docket No. UW 186. Due to an issue with the original effective date listed in Order No. 22-085, Chief Administrative Law Judge Moser entered Order No. 22-088, which corrected the rate effective date as agreed to in the stipulation. Ordering paragraph 3 of Order No. 22-085 required the Sunriver to file tariffs consistent with the stipulation, and section II, paragraph 3a. of the stipulation states Sunriver will file an attestation stating the date upon which the 2021 rate base additions were placed in service and their cost.

Analysis

In compliance with Order Nos. 22-085 and 22-088, on April 18, 2022, Sunriver submitted tariffs reflecting the stipulation entered into between the parties in Docket No. UW 186 and the attestation with the 2021 rate base additions. I have reviewed the filed tariff, replacement sheets, and attestation, and find that this filing complies with the Commission's orders. I have also confirmed that the rates filed are consistent with the orders and capture the revenue requirement adopted by the Commission.
