Re: UE 394 – *In re Portland General Electric Company, Request for a General Rate Revision.*

Dear Judge Lackey:

In response to the ALJ's Memorandum issued on March 1, 2022, PGE hereby submits its notice of intent to participate in the March 17 Oral Argument in this proceeding. Lisa Hardie will be appearing on behalf of PGE. PGE intends to address wildfire mitigation and vegetation management and will take the lead on behalf of the stipulating parties on the issue of decoupling, though attorneys for other stipulating parties will be available to respond to any questions as needed. PGE also requests the opportunity to address any other issue raised by a party or the commission during the oral argument.

Sincerely,

Lisa Hardie
