Re: Docket No. UE 394
Calpine Energy Solutions, LLC's Notice of Intent to Participate in Oral Argument

Dear Judge Lackey:

Pursuant to the Scheduling Memorandum issued February 22, 2022, Calpine Energy Solutions, LLC ("Calpine Solutions") submits this notice of intent to participate in oral argument scheduled to occur on March 4, 2022 via Zoom. Calpine Solutions will be represented by Gregory M. Adams, and the sole issue proposed to be addressed is treatment of deferred costs of transportation electrification pilots under Schedule 150.

Counsel for Calpine Solutions has a scheduling conflict on March 17, 2022, the date proposed for a second oral argument. However, the issues identified for that argument are not issues on which Calpine Solutions intends to take a position. Therefore, assuming there is no requirement for Calpine Solutions to make an appearance at an argument on issues on which it takes no position, Calpine Solutions does not object to any of the proposed changes to the procedural schedule circulated on February 22, 2022.

If you have any questions, please do not hesitate to contact me.

Sincerely,

/s/ Gregory M. Adams
