Re: UE 394 – *In re Portland General Electric Company, Request for a General Rate Revision.*

Dear Judge Lackey:

PGE appreciates the opportunity to provide feedback on the topics for the March 4 oral argument in this case and the revisions to the schedule.

PGE would like to address the following issues during the March 4 oral argument: (1) Deferrals, (2) Level III Mechanism, and (3) Faraday Repowering. PGE also requests the opportunity to address any other issue scheduled for argument or raised by a party during the oral argument.

In response to the February 22 Scheduling Memorandum, PGE confirms that it does not have any significant conflicts with the additional dates.

Sincerely,

Jordan Schoonover
