**Re: Docket UM 2192 - In the Matter of NORTHWEST NATURAL GAS COMPANY, dba NW NATURAL, Application for Approval of Deferred Accounting for TSA Security Directive 2 Compliance Expenses.**

Attention Filing Center:

On May 31, 2022, Northwest Natural Gas Company (“NW Natural”) filed a Multi-Party Stipulation Regarding Revenue Requirement, Rate Spread and Certain Other Issues (“Stipulation”) in Docket UG 435, NW Natural’s Request for a General Rate Revision, and Docket UG 411, Schedule 198 Renewable Natural Gas Recovery Mechanism (consolidated). On June 2, 2022, Administrative Law Judge (“ALJ”) Sarah Spruce issued a ruling (“Ruling”) in those consolidated dockets admitting the Stipulation in the record and directing NW Natural to file notice of the Stipulation in NW Natural’s on-going dockets that address issues resolved in the Stipulation. In accordance with ALJ Spruce’s Ruling, NW Natural files this notice advising the Commission and parties to the above-captioned docket that the Stipulation in Dockets UG 435 and UG 411 was filed on May 31, 2022, and the supporting Joint Testimony was filed on June 8, 2022.

Please contact this office with any questions.

Sincerely,

Jocelyn Pease

Attorney for NW Natural
