Customers subscribed to Custom Ringing Service prior to October 22, 2021 may have up to three additional numbers on the same line, for a total of four numbers assigned to a single line, as long as the additional numbers were assigned prior to that date. Effective October 22, 2021, only one additional number may be assigned to a single line. (N)

B. Terms and Conditions

2. Custom Ringing will be billed to the primary exchange access line number. Itemized billing is not available on Custom Ringing numbers.
3. Company intercept service methods and procedures apply to Custom Ringing on a per number basis. In addition, the following conditions will apply:
 - When the exchange access line number remains in service, Custom Ringing numbers can be individually intercepted.
